Committee Room, City Hall,
June 2nd, 1920.

FIFTEENTH MEETING.

NO. I COMMITTEE meets in the Committee Room, City Hall, on Wednesday, June 2nd, 1920, at 4 p.m.
PRESENT: Aldermen Brighton, Harley, Bridge, J.C.Wilson, M.D., and F.R.Watkinson.

Alderman Harley nominates Alderman Brighton as Acting Chairman.

Alderman Brighton is duly elected and assumes the chair.

347 MINUTES.

The minutes of the thirteenth and fourteenth meetings are confirmed and signed by the Acting Chairman.

348 CITY GAS RATES (see par. 305)

Mr. Graydon and other representatives of the City Gas Company address the Committee.

Mr. Graydon states that he understood that the City Solicitor had advised that the question was one for the City Gas Company to deal with. They had been unable to secure legislation to govern the matter in the recent session of the Legislature. They had determined to make a service charge of eighty-five cents to begin about the first of July in addition to the ninety cents for gas which covered only the cost of production without any payment for office and other expenses. This would not provide funds for any extensions and mains. They appeared before the Committee so that the Committee might be advised of their intended action.

349 SALE OF DUPLICATOR.

The Clerk states that he had received an offer from Mr. Graves of $7.50 for an old duplicator in his office. Considerable work and repairs had to be made before the machine could be used. There was not much call for a machine of this type and he recommended the sale.

Alderman Harley moves, and it is adopted, that the recommendation of the Clerk be adopted.

350 I.O.F. CONVENTION.

J.H.Hambly stating that the Independent Order of Foresters purpose holding a convention of all the members of Western Ontario on Tuesday and Wednesday, the 17th and 18th of August, 1920, and if the Council will furnish a Hall in which to hold such convention it has been arranged to hold same in this city. On behalf of the society which has some fifteen hundred members resident in the city he makes application for the use of the Masonic Hall for the above dates, the expenses in connection therewith to be paid by the city.

Alderman Harley moves, and it is adopted, that a Hall be furnished according to agreement.

351 GASOLINE TANK (see par. 331.)

S.Baker certifying that the Council referred back the first clause of the ninth report of No. 1 Committee, viz:

"That the application of the Consumers' Gasoline Supply Company for permission to instal two gasoline tanks at 566-568 Richmond Street be granted, subject to the recommendation of Building Inspector Piper and Fire Chief Aitken."

Fire Chief Aitken and Building Inspector Piper reporting that they visited these premises and went thoroughly into the situation both as to locality and desirability of having a business of this description placed there. They are not in favor of same and in their opinion it would be a mistake to allow a building of this description to be erected on these premises. Their reasons are as follows:

The position where it is proposed to erect this building is near the intersection of Park Avenue and Richmond Streets and if the corner buildings now there were removed this property would have a full view north on Richmond Street and Victoria Park on the east and no doubt in the near future if no encumbrance is placed on same could be made one of London's most beautiful corners.

Richmond Street being a main thoroughfare and only 66' wide with a car line on same, they do not think that a business of this description should be placed there as same would not only have a tendency to block traffic as autos turning in and out would no doubt do, but would be dangerous and liable to cause accidents.

The present buildings on Park Avenue, facing the Park in this block are not very desirable and they hope in time to be able to get these buildings away from there but by allowing a new permanent building of this description which they propose to build for a gasoline station

would not, in their opinion be a benefit in any way or help to beautify this locality.

Messrs. Ivey and Knowles addressed the Committee. There would be no interference with traffic as the cars would enter upon their property for securing oil and gasoline and the building would improve the appearance of the street.

Alderman Wilson moves, and it is adopted, that the matter be referred to the Council.

352 WESTERN COUNTIES TELEPHONE ASSOCIATION CONVENTION.

Dr. Doan, Harrietsville, calling attention to the Western Counties Telephone Association Convention to be held in London on June 25th, 1920.

Alderman Bridge moves, and it is adopted, that the Western Counties Telephone Company be granted the free use of the City Hall for their meetings and the usual courtesies extended.

353 INDUSTRIAL AREA COMMITTEE.

Alderman Bridge moves, and it is adopted, that Aldermen Harley and Drake and His Worship Mayor Little be an Industrial Area Committee.

Alderman Harley, moves, and it is adopted, that Engineer Brazier and Manager Buchanan be instructed to assist the Industrial Area Committee in the laying out of the necessary local improvements.

354 GRIFFITHS HANDLEY CO.

Alderman Dr. Wilson moves, and it is adopted, that Commissioner Philip be requested to supply No. 1 Committee with copies of all correspondence with this firm with reference to their retention in this city.

355 BAND CONCERTS

Major Little addressed the Committee in favor of making as large a proportion of the band concerts to the city battalions as possible. The new regiment was the re-organized Seventh.

Alderman Bridge moves, and it is adopted, that the matter be referred, with power, to the Chairman.

356 DOMINION FIRE CHIEF'S ASSOCIATION.

Dominion Association of Fire Chiefs asking attendance at their convention in the City of St. Thomas, August 3rd, 4th, 5th and 6th and payment of membership fee and called attention to the International Association of Fire Engineers to be held in the City of Toronto on July 26th, 27th, 28th, 29th and 30th.

Upon motion the membership fee of $3,00 is passed for payment and the Fire Chief authorized to attend.

357 DOG POUND.

Humane Society asking that the city dog pound be transferred to 91½ Mt. Pleasant Avenue and the Inspector of the Society given charge thereof.

Upon motion the request of the Humane Society is granted.

358 FIRE CHIEF'S REPORT.

John Aitken calling attention to the fact that Lieutenant George Gray has been off the Department for the past year on full pay owing to illness. As he is unfit for duty owing to his advanced age, he suggested that the advisability of superannuating him according to the regulations of the Firemen's Benefit Fund be considered.

2. If the members of the Fire Department have to attend to emergency calls for drowning and pulmotors it will be necessary to increase the staff with three men and have one piece of Fire apparatus out of commission during the time the men are away. He understands that in other cities the Police Department attends to all drownings and use pulmotors when required.

Alderman Bridge moves, and it is adopted, that clause one be referred to the Chairman and Alderman Harley for report.

Alderman Watkinson moves, and it is adopted, that the recommendation in clause 2 be adopted and the Police Commission requested to assume the duties.

359 FISH STALL CLERK'S WAGES.

J Jenkin making application for an advance in salary. He is at present receiving $24.00 per week which he considers a small amount for the responsible position which he holds and the present high cost of living.

Filed, as there is no provision in the estimates therefor.

360 PARKS LOCAL IMPROVEMENTS.

Public Utilities Commission returning tax notices on city parks. These were submitted to the Board and he was instructed to state that the Parks Department is not responsible for these taxes.

Upon motion the taxes for 1920 for local improvements for Parks amounting to $2,935.43 are remitted as the Parks Board refused to pay same and the matter referred to estimates of 1921.

370 PROTECTION OF BIRDS.

Minister of the Interior stating that the protection now given migratory insectivorous birds in Canada by the Migratory Birds Convention Act, which resulted from a Treaty between the United States and Great Britain, has given an impetus to bird protection in general, and this letter is written to endeavor to interest municipalities in this work.

Many parks and public grounds, including cemeteries, exhibition or fair grounds, reserves and playgrounds already are planted with trees and shrubs, and these places might be made more attractive to the insectivorous birds which next in this country.

As these birds are the chief controlling agency in keeping down the insect pests that destroy our field crops and fruit and shade trees, every endeavor should be made to encourage and protect them in every way.

This can be done by erecting bird houses, stopping the depredations of nest destroyers, and controlling other destructive agencies. Cemeteries and parks may be made into bird sanctuaries, park, fair and cemetery caretakers can be made Honorary Game Officers under the Migratory Birds Convention Act, so that they may have the power of a constable and be able to take prompt action. A reward will be found in the increased attractiveness of the places so improved, because of the singing of the birds, the better leafing of the trees, and a reduction of the crop losses due to insects in nearby gardens and farms.

371 MOTOR CARS TAX.

Galt submitting copy of resolution respecting taxation of motor cars and urging the Council to pass a similar resolution and have copies placed in the hands of the city's representative in the Provincial

"Whereas the owners and drivers of motor vehicles demand roads which require construction and maintenance enormously in excess of what would be needed for ordinary traffic;

And whereas where roadways are constructed as local improvements, the greater part of such additional expenditure has to be borne by people who derive no direct benefit therefrom and who can least afford to pay the tax;

And whereas it is unfair to the parties so assessed and not in the interests of the community that such a burden should be imposed on the people at large for the benefit of a favored few;

Be it resolved that in the opinion of the Municipal Council of the Corporation of the City of Galt that all municipalities be empowered to impose an annual tax not exceeding one dollar per horse power on all motor vehicles, and that the moneys realized from such tax be applied in reducing the amount which would have to be raised in each year from the parties assessed for the cost of construction and maintenance of such works.

And this Municipal Council would urgently request the Legislature of the Province of Ontario to introduce such measures as would effectually obtain the object sought by this resolution.

372 W.C.A.HOME CHARGES.

Women's Christian Association, under whose management the Homes for Aged People and Incurables are conducted, petitioning for an increased grant for city patients per day in these Homes. The present grant of sixty cents per day per patient being entirely inadequate at present prices of maintenance. The Association feel that a grant of $1.50 per day per patient would be nearer meeting the requirements of each patient at the present time and asking consideration and approval of the same.

Referred to Alderman Cunningham for report.

373 PRINTING BY-LAWS.

S.Baker calling attention to the need for printing city by-laws. The edition of 1908 is valueless. To have these printed in the regular way would cost in the neighborhood of $1,000. By doing this work in spare time he could have the work done for about $100. He proposed spending about $30.00 this year.

Alderman Bridge moves, and it is adopted, that the Clerk be authorized to proceed with the printing thereof.

380 DYER SIGN.

H.A.Brazier stating that Mr. J.R.Dyer has signed the necessary bond and obtained the necessary certificate for wiring from the Fire Chief in connection with his application to erect an electric sign at 154 Dundas St. He recommended that his application be granted, subject to erection and maintenance in conformity with By-law No. 4251 relating to signs.

Upon motion the recommendation of the Engineer is adopted.

381 MARSHALL STREET PROPERTY.

Jas.S.Bell stating that last year the property on Marshall St. No.649 was sold to W.H.Joyes for $600. He was to pay $40 on October 25th, $35. November 1st, $25.00 November 8th and the balance in four years from Dec.1st, 1919 with interest at the rate of six per cent per annum.

To date he has made only the first payment of $40. He has been confined to the house all Winter with gangrene and two weeks ago promised to make payments within a week, but failed to keep his promise. His wife said that he would out looking for work on the 2nd inst. From information he has received he does not think Mr. Joyes will complete the purchase and recommending that this place be offered for sale, along with a vacant lot belonging to the city, two lots east of the one referred to.

Upon motion the suggestion of the Treasurer is adopted and the matter referred to the Housing Commission for report.
